Project No.

[illegible]

Letting of Nov. 15, 1973

By: Richard J. Bellah Company Name  
Vice-President  
(Title)

P R O P O S A L

TO THE BOARD OF PUBLIC SAFETY:

Pursuant to legal notice, proposals will be received for the installation of one traffic signal installation at Hanna St. and Wallace St.

Designated as follows:

Contract No. S 1973-(1)

Bid Reference No. \_\_\_\_\_

The undersigned hereby tenders this bid to construct said work in accordance with the plans, drawings, "Specifications and Special Provisions for the Installation of Traffic Signals", "General Provisions and Installation Methods", and "Special Provisions" incorporated herein, to furnish all necessary machinery, and equipment, tools, labor and other means of construction, and to furnish the wood poles, reinforced concrete pipes for hand holes, concrete and minor materials as specified, in the manner and at the time prescribed under the supervisions and direction of the Board of Public Safety or its authorized representatives, pursuant to the terms of the bond filed herewith in the amount of not less than one and one-half ( $1\frac{1}{2}$ ) times the amount of this proposed for the unit prices quoted in the accompanying itemized proposal dated 11-15-73 and to prosecute the work so as to complete within twenty

\* ~~(20) working days.~~ Work days shall begin on the fifteenth day after the "Notice to Proceed".

The undersigned has filled in the itemized proposalsheet with a unit price for each item listed, in accordance with the type of improvement upon which he is bidding has executed the form of contract filed herewith as a part of this proposal, which execution shall be regarded as the signing of the contract for the proposed work, to be in full force and effect from the date of the signatures of the Board of Public Safety.

Witness our hands this 15 day of Nov. 1973

Name SCHMIDT ELECTRIC INC.

Address P.O. Box 2625, FORT WAYNE, IND.

By: Richard P. Bellah  
(title) VICE-PRESIDENT

\* Work will be completed 10 (TEN) WORKING days after receipt of signal equipment and poles. This is due to the fact of a long delivery on these items.

## TRAFFIC SIGNAL CONTRACT

THIS AGREEMENT, made and entered into by and between the City of Fort Wayne by.....

....., Chairman, Board of Public Safety, for and on behalf of the City of Fort Wayne, as party of the first part, hereinafter called the City and,

Schmidt Electric, Inc.

P. O. Box 2625, Station D, Fort Wayne, Ind.

(Name)

(Address)

46808

as party of the second part, hereinafter called the Contractor:

WITNESSETH: That for and in consideration of the mutual covenants herewith enumerated, the City does hereby hire and employ the Contractor to furnish all materials, equipment and labor necessary and to fully construct the work designated as follows:

Contract No. S. 1973-1

according to plans, standard specifications, profiles and drawings therefor and supplemental specifications on file in the office of said Board of Public Safety and any supplemental or special provisions set out or referred to in the contractor's attached proposal, and hereby agrees to pay the contractor therefor, for the actual amount of work done and materials in place, as measured by the Traffic Engineer of the City

of Fort Wayne, at the unit prices stated in the contractor's attached proposal dated November 15, 1973, which sums the contractor agrees to accept in full payment for such work; and

It is further mutually agreed:

That the accompanying proposal and bond of the contractor, together with the plans, standard and supplemental specifications and special provisions herein designated and referred to, are hereby made a part of the contract, the same as if herein fully set forth;

That the contract amounts may be paid for to the contractor upon progress estimates of completed work, prepared by the engineer, as provided in Section 13 of Chapter 18 of the Acts of the 1933 General Assembly of Indiana and Acts amendatory thereof and applicable thereto, but progress payments shall not exceed 90% of any such estimates, less the total amount of properly prepared and certified statements of indebtedness which shall have been filed against the contractor for labor performed and materials furnished, or other services rendered in the carrying forward, performing and completing of this contract, and which estimates shall also be subject to the provisions of the standard specifications on file in the offices of the said Board of Public Safety and made a part hereof;

That before any final estimate is paid to the contractor, he shall furnish receipts for all debts incurred in the prosecution of such work or satisfactory evidence and assurance that the same have been paid; or, shall consent to the withholding by the City from his final estimate of sums sufficient to cover any such indebtedness, which sums may be held until such indebtedness is settled, or until the expiration of eighteen months, or until the conclusion of any litigation in relation thereto filed within such period; and

That no monies due on this final estimate shall be paid until the work is fully completed and accepted as provided in the specifications nor until at least thirty (30) days after the last work and labor were performed and the last material furnished.

Witness our hands this 15th day of November, 1973.

Witness our hands this .....day of ..... , 19.....
